IMPORTANT LEAGUE INFO

- ☒ League rules will be guided by USBC rules. A copy of the rules can be found in the rules' department on bowl.com. I can also provide a copy if requested. Any rule not outlined in this packet will be governed by USBC.
- ☒ To make play fair across ability levels, this league is a handicap league. Handicap will be 90% of the highest average in the league rounded to the nearest 10. Beginning averages will be used and will be last season's ending average or highest current summer average as of 21 games. A new average will be established after 9 games. If a bowler did not bowl in this league last season, highest bowl.com average, as of 21 games, from last season will be used. Any bowler who does not have an established average will be established upon their games bowled, after which their average will be reconfigured on a weekly basis.
- ☒ The 10-pin drop rule will be used to discourage sandbagging, where a bowler deliberately bowls poorly to get a lower handicap for future games. This rule prevents a bowler's handicap from being calculated based on an average that's significantly below their established "book average". A bowler's current average can't drop more than 10 pins below their "book average". If a bowler's average drops below the drop point, their handicap will be calculated based on their book average minus the drop, rather than the current average.
- ☒ In the event of a tie at the end of the season, tied teams will have a 1 game roll-off. The roll-off will be guided by USBC rules.
- ☒ Bowling dues are paid weekly. Bowlers can't be more than two weeks behind. Any bowler who is two weeks behind in weekly dues will not be able to bowl until meeting with center management. USBC sanction fee is included in your weekly dues. Dues are to be paid whether you are present or absent.
- ☒ You must let Heather and your teammates know if you are going to miss a week of bowling. If absent, you may schedule a pre-bowl or make-up. A pre-bowl occurs prior to the absence and a make-up occurs after the absence. All make-ups must be completed within 2 weeks of missed day. All pre-bowls and make-ups must be completed before the 2nd to last week of league. If you are absent and choose not to make-up, you will receive a blind score of your average -10 (12 & over league) or average -5 (Under 12 league). You may make-up & pre-bowl as an individual or as a team. Your weekly fee does not change in the event of an absence. You must schedule your pre-bowl/make-up with the center. If a bowler is absent more than two times without proper communication, the bowler will be dropped from the league.
- ☒ Sport shot make-ups and prebowls must be completed on a sport shot; therefore, these can only be scheduled on Sport Shot Saturdays. You will bowl on the current sport shot that is being used that day. Please see Heather or Angela to book.
- ☒ Any errors in scoring or league standings must be reported to a league officer within 14 days of the standing sheets being posted or distributed. If an error is not caught and reported within this time frame, the posted standings and scores shall stand as written. Protests filed after this deadline will not be considered.
- ☒ The Registered Volunteer Program (RVP) is in place to protect your children. Any coach, volunteer, chaperone, or individual, over the age of 18, who will be in contact with youth bowlers in the settee area, on the lanes, or on trips must complete an RVP Safe Sport course & background check. Cleared adults will be wearing an RVP badge and are the only ones allowed in the bowlers' area. If you are interested in volunteering, coaching, or chaperoning, you must get this completed. For more information, you may visit the youth section of bowl.com
- ☒ Scholarships are available for all ages and ability levels. Scholarship funds are kept in a SMART account through USBC until your bowler reaches college-age. Visit bowl.com to check your SMART fund or to learn more about scholarships. Bowl 4 Life is also a great foundation to support youth bowling. Visit their Facebook page for information on scholarships.
- ☒ If a bowler is 18 years' of age and going into their senior year of high school, the bowler may bowl in the youth league. The bowler will have to complete SafeSport training and the league will have to be sanctioned as a youth/adult league.

RULES & EXPECTATIONS

- ☒ Use appropriate language at all times
- ☒ Practice good sportsmanship and positive attitudes
- ☒ No recording of other bowlers or displaying others on social media without permission
- ☒ Bullying (of any kind) will not be tolerated
- ☒ Follow the cell phone policy
- ☒ Bowlers must be at the lane and ready to bowl at all times. Have an open mind.
- ☒ No smoking, alcohol, or drug use allowed
- ☒ Any bowler over the age of 18 must complete Safe Sport Training
- ☒ Bowlers must have 12 games to be eligible for awards
- ☒ One-lane courtesy will be used during league
- ☒ Follow the dress code at all bowling events

MEET THE TEAM

COACH

HEATHER DIONISIO
YOUTH DIRECTOR

I am so thankful to be your youth director and a coach to help. I grew up in the youth leagues and worked at the center. I am from Wisconsin, Go Packers, but I have been here for 27 years now. I love having a bowling family and working with all the families. It fills my cup and it is the best part of my day. I am a Level 1, Bronze, and Silver-Level certified coach. My highest scores were 289 and 711. I love working with the little kids to watch the major light bulbs go off and then watch them fly to the next level. I have twins also growing up in the youth league and my husband Arthur runs the Proshop and my Dad Larry runs the center. I am so blessed and lucky to work with all of your families.

(P.S: Heather won't tell you this, but she has been inducted into both the Grand Strand USBC Hall of Fame and the South Carolina USBC Hall of Fame for her heart and passion in being our youth director)

COACH

DEE REEMSnyder
SECRETARY/TREASURER

I have always loved bowling, my son William started in the youth league 2023, I have been helping out in some form since then. I love taking care of the business end. Organization is kind of my thing. Watching all our kids grow as bowlers is such a blast. I am level 1 Certified and currently working on my Bronze Level. (Words to live by, doing the right thing even when no one else is looking.)

All paperwork, fees, and/or questions about either go to Coach Dee!

COACH

ANGELA MCDUFFIE
COMMUNICATIONS

My name is Angela and I'm one of the managers at the center! I've worked here at Myrtle Beach Bowl for 4 years and I love being a part of this team! I have 2 kids that have bowled in the youth league for about 4 years now, and they love the sport and friendships they've made along the way.

Organization and communication is my thing! I love to make sure all families and kids are taken care of! Please reach out to me if you have any questions or concerns.

HEAD COACH

SCOTTIE BURK

Hello everyone and welcome to Myrtle Beach Bowl! Since childhood, my passion for bowling has only grown stronger, spanning over two decades of dedication to the sport. Currently overseeing our TEAM USA teams, I hold a silver coaching certification, and most recently obtained pro shop certification from the Kegel Training Center in Florida. Throughout my coaching journey, I have guided numerous youth and adults to enhance their skills. After a brief hiatus from the youth program, I was thrilled when my daughter, Elizabeth, expressed interest in joining the youth league back and eagerness to learn everything there is about the game. Teaching and learning from the young bowlers at Myrtle Beach Bowl brings me joy and I love witnessing their progress and success. I am always available to assist and answer any questions you may have. I am grateful for the opportunity to coach and thank you all. Looking forward to seeing you on the lanes!

COACH

NIKKI DILLEHAY

Hey bowling fam! I grew up bowling in the youth program in this very center. Some of your more "veteran" coaches were my coaches as a kid, too! (See below 😊). I have been coaching in the youth program since 2006. I have numerous 700s to my name, have my highest adult average of a 211, & am always looking to learn and grow in this sport that I love! As a family, we live & breathe bowling. You will find us traveling to tournaments more often than not. We are active in the SC Interstate All Star program with my kiddos Wyatt & Sophie being bowlers, their dad being an All Star Coach, and me being the designated team mom for all the hair bow and snack needs. Outside of bowling, I am a 3rd grade teacher. MBB is truly family & I'm so happy you are here! I can't wait to see the friendships, accomplishments, & growth that this season brings!

COACH

PAUL MCDANIELS

Hello. I have been a coach officially for a year now but I have been bowling for over 30 years. I have learned a lot over the years. I work in the pro shop with Arthur and I enjoy helping kids in the youth league.

COACH

ARTHUR DIONISIO

I am Heather's husband, I have been bowling for over 40 years, I have (21) 300's and (6) 800 series, I am in the Grand Strand and South Carolina Hall of Fame for bowling achievement. I am the operator of Perfect Skore ProShop located inside MBBowl. I have been coaching youth bowlers for over 20 years and I'm also a Silver level coach!

COACH

MICHAEL GRAY

Greetings. I have been coaching for 3 years now. I love bowling and love coaching the youth and seeing them succeed!

COACH

ERIC JOHNSIN

I have been bowling since age 14. Awards that I have received include high game of 290, numerous bowler of the month, and won in my category. Currently, I'm president of the Double Nickels' league and a Level 1 certified coach.

COACH

KIMBERLEE ANDERSON

Hi friends! My name is Kimberlee aka Coach Kt aka "The Spirit Leader". I absolutely love the sport of bowling & want to fuel the same passion for generations to come! My son Aj is part of our youth program and I absolutely love watching him and his friends! I am excited to see where this season takes us!! :)

COACH

TAMARA KLIMOVA

Bowling has always been a passion. My greatest personal achievement in the sport was representing Ukraine at the 2011 World Women's Bowling Championship in Hong Kong. After taking a 10 year break to raise my daughter Mariia, I returned to the sport here in the U.S at Myrtle Beach Bowl-a truly special place for youth development. Mariia now represents SC at Junior Gold 2025 in the U12 division and is part of the SC All Star Team U15 girls. Inspired by her journey, I completed my Level 1 Coaching Certification in 2024. I enjoy working with youth and being part of this wonderful community.

TEAMWORK MAKES THE DREAM WORK

COACH

MIKE SKILLMAN

Hello. I have been a coach for over 38 years and I love the sport of bowling. I recently moved here from New Jersey where I helped run the Junior program with Leslie Bohn (Parker's wife). Everyone has been so welcoming that I feel like I have been here for years.

COACH

DONNA WILSON

I've been bowling for 45 years and I'm a Level 1 certified USBC coach. I am looking forward to getting my bronze certification. I coached the children's league and the USA team last year and I enjoyed working the the children and watching them succeed. I am also a director on the Grand Strand USBC board.

COACH

JENNY GRAY

Hello Everyone!
My name is Jennifer Gray. I am wife to Michael Gray and mom to Elijah Gray. It has been 7 years since I have watched Elijah and many of the kids here in youth league grow in their talent and love of bowling. I am excited to once again take an active role in helping your children grow.

FAQ

QUESTION

ANSWER

Download the Team Reach App & use the appropriate code to join:

- All Bowlers: FallBowling
- USA Bowlers: USABowling23
- Youth/Adult: YouthAdultMB
- Coaches/Volunteers: MBCoach23

QUESTION

My bowler wants to get better. Where can I get help?

ANSWER

Bowling is a unique sport. We do not have mandatory practices throughout the week like other sports. Saturday morning is competition time and coaches can't make big changes to your child's game during competition because those changes affect scores. Our coaches offer free group practice on Mondays from 3:30-5:30pm and Saturday mornings from 8:40am-9:45am. Many of our coaches are available for private lessons at \$35 per hour (see flyer).

QUESTION

How do I pay each week?

ANSWER

When you arrive at the center, you will find everything you need for the week on the counter near your child's lane. Place your money in the envelope and turn it in to Coach Dee. Electronic payments may be used using the youth QR codes.

ANSWER

Step 1: Become a sanctioned bowler on bowl.com
Step 2: Take the Safe Sport classes on bowl.com under Youth -> Athlete Safety
Step 3: Pass the Safe Sport test & print certificate
Step 4: Complete the background screening under MYUSBC -> Athlete Safety
Step 5: (Coaches only) Become certified. Free classes can be found on bowl.com

Your RVP badge will come in the mail. Be sure to wear this at all times.

QUESTION

I'm so confused. Who can help?

ANSWER

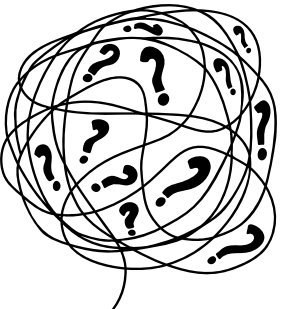

We know that things can seem overwhelming at first, but we are here to help! Find someone wearing a jersey & an RVP badge and they will be happy to answer any questions you have!

QUESTION

How do I schedule a pre-bowl?

ANSWER

Pre-bowls and Make-Ups must be scheduled with the center. You can't just walk-in. You may call the center at 843-236-1020 or schedule while you are there!
